This year was the biggest SA Masters Tournament ever!  
63 teams participated compared to last year's including three teams from Namibia.

On Sunday, 5th October, all the registrations were done.

Monday morning, the first day of the tournament, we woke up to thunder in the sky, after which it started to rain. After the rain had subsided a bit, it was decided to move the official Opening to the hall because the grass and the area in front of the stoep were very wet and there might be another shower of rain. The hall was packed with everyone looking for a seat to be part of the proceedings. The flag bearers stood on either side of the walls, and it looked colorful. With all our guests of honour, we were ready to begin the proceedings.

- President of the International Jukskei Federation – Tinus Barnard and his wife, Petro
- President of JSA – Hennie Oosthuizen and his wife Retha
- President of Namibia – Erik Strauss
- All the other Board members of JSA – Jako Botes (1st Vice President) and Deidre Smit (Director Administration),
- Rev. Herman Kok – who opened the event for us
- Willem Louw - Chairperson Jukskeipark, Property Board of Directors
- Umpires Dirk Brits, Henko Hansen and Natie Diedericks
- And then the most important guest of honour – Mr Tinus Barnard, who is being recognised for his 11 years of earning SA Masters Colours.

The respective flags were raised as follows:

- The SA National Flag, and are followed by
- The Namibian flag.
- The flag of JSA follows, and then the
- SA Masters Flag
- which in turn is followed by the various districts/provinces with their flags to open the event magnificently.

The opening after the flag raising proceeded as follows:

- Scripture reading and prayer by Rev. Herman Kok
- Welcoming to the 32nd SA Masters Tournament by the Vice-Chairman of the SA Masters Committee, Daleen Roos.
- Message from the President of JSA, Mr Hennie Oosthuizen
- Message from the President of Namibia, Mr Erik Strauss
- Special recognition is given to Tinus Barnard, who has received SA Masters Colours for more than 11 years. A beautiful glass is presented to him by Hennie Oosthuizen, the new Director of Participation.
- Handing over of the Joint Trophy by Limpopo.
- Henko Hansen reads the sports code for all Officials to the audience.
- Tinus Barnard reads us the Athlete's sports code, after which the tournament is officially declared open for competition.

The Trips games begin at 08:00 with nine matches played in some divisions. Due to the number of teams, another 4 more games were moved to the next day.

## JSA MASTERS CHAMPIONSHIP

## DALEEN ROOS

On Tuesday, the 4-play games continue, after which the Medal Presentation for the Trips games takes place.

Wednesday, after the games, there was a nice get-together with all the players attending the barbecue. 283 orders for the side dishes were placed, which included salads and different types of bread.

Thank you, Mr Dirk Birts, who acted as auctioneer for the auction. A good amount was raised. Live music was provided, which ensured that many took to the dance floor with others who just had a good time.

On Thursday, early in the morning, the trial games are played with 14 teams getting the opportunity to play their best jukskei. Some more 4-play games were played. At the end of the day, the final SA Masters teams were announced. Some teams would play against the Namibia teams.

Friday is the last day of the tournament. Early in the morning at 06:30, all the players of both the SA Masters teams and the Namibia teams are on the stoep for the photo sessions, after which they went to the courts for a little warm-up before the official proceedings begin.

At 07:20, the teams line up – ready for the walk-up, which gives a nice feeling of warmth in your heart with the knowing that something special is happening on the jukskei courts. After the invitational games, the medal ceremony took place.

Another two 4-play games were played and it was time for the last Medal Ceremony to take place. The medals were presented by Mr Dirk Brits to all the medal winners in the various divisions.

It was time to say goodbye until next year!

## III. BASQUE COUNTRY JUKSKEI CHAMPIONSHIP (DOUBLES) 2025

On the 12th of July, Saturday, the Basque Association of Beach Tennis and Minority Sports organised the III. Basque Country Jukskei Championship in doubles. 6 players got together on the Ereaga beach in Getxo, and after playing Ring Tennis and Rocball (similar to volleyball), we made 3 teams of 2 players and played three games: all against all. We played in the sand, and Egoitz Campo and Andoni Mariezkurrena was the best couple, but the rest of the players threw very well.

The idea is to finish playing the double Basque tournament on the 2nd Saturday of August, and if all goes well, the 9th of August in Artzar park (Leioa). We will end the year with the 3rd Ereaga Jukskei Tournament in September, and maybe before it we will play a small tournament. Hopefully, we will encourage more people to play. Little by little, our skills are going to improve, sure. Here are the results of the III. Basque Country Jukskei Championship (Doubles):
