IJF Newsletter #8

April 2023

The President's Global Desk

HAPPY NEW YEAR!!!

Ninety percent of the time, the above words are the first that one hears on the first day of a new year. Is that also applicable to Jukskei and its management, on all levels, at the beginning of a new season?

I am hundred percent sure that new targets will be set during the upcoming work sessions and Annual General Meetings (AGMs). Will these new goals be the same as the 'Happy New Year' and then, nothing happens afterwards?

We, as EXCO, would like to encourage the jukskei community, around the world, to improve on your previous goals. Each country that is registered as a Full Member of the IJF, is another opportunity for the jukskei players to visit. It will not only benefit jukskei, but also the guest country.

May this New Jukskei Season and goals be remembered.

Good luck with all the AGMs, at all levels, in preparation for the coming season.

**President:
Dirk Brits**

IJF WORLD TEAMS

In 2000 the 1st Men's and Women's World Teams were selected in Swakopmund, Namibia. The teams were:

Antoon Claasen, Willie Goosen, Irené van der Merwe, Hercules Taljaard, Jan Brandt (IJF), Schalk Grobbelaar (Coach)

Elna (Rossouw) vd Berg; Louise le Roux, Charl Marais (Team Manager), Santie Bernardt, San Beukes

Only two players from these world teams are still actively playing jukskei, namely Antoon Claasen and Elna vd Berg – 23 years later!

The Exco decided that it was once again time to appoint World Teams. This time, however, four teams were nominated in the age groups Senior Men and Women as well as Over 50 Men and Women. This gives more opportunities to give the jukskei players the recognition they need.

During the IJV's AGM held in August 2022, the following was determined and approved by the member countries. See Clause 10.2.

10.2	IJF World Teams
10.2.1	Team Selection
	a) World teams will only be selected every fourth year
	b) The selection of these teams will rotate amongst the member countries every fourth year starting in 2023 in South Africa
	c) For team selection, the following must be taken into consideration:
	i. Selected players must have played at least one test match per year in the national team for the past four years
	ii. Five members per team per gender and age group must be selected
	iii. The best team (players) will be selected for each division participating in the present tournament/championship over the past four years
	d) Officials will be appointed as follows:
	i. Four Coaches
	ii. Two Team Managers – one per age group
	iii. One Umpire
	e) These teams will be finalized the night before the official test matches, but will only be announced after the test matches
	f) A medal (Gold) with a plate (IJF World Team Name of place and year) will be presented to each participant, plus a letter that these players and officials are entitled to wear the IJF World Team colours (refer to the IJF Constitution – Clause 15.5)
	g) Teams will be selected into four divisions:
	i. Senior Men (from the groups Senior and Junior (u/30 Men)
	ii. Senior Women (selected from the groups Senior and Junior (u/30 Women)
	iii. Above 50 Men (selected from the groups Above 50 and 60 Men)
	iv. Above 50 Women (selected from the groups Above 50 and 60 Women)
10.2.2	Matches
	a) A match will be played after the respective test matches
	b) Senior Men will play against the Above 50 Men
	c) Senior Women will play against the Above 50 Women

Additionally, it was decided that due to Covid, the years 2020 and 2021 will not be taken into account as there was no international participation. To be able to qualify for these respective teams, the participants had to have represented their country in a test match in 2018, 2019, 2022 and then also in 2023.

The following teams have been assembled, and determined according to the above criteria:

SENIOR MEN AND WOMEN	
Team Manager: Erik Strauss (Nam)	
Men Rudolf van Jaarsveldt Johan Booyens (SA) Japie Dreyer (Nam) Anton de Kock (SA) © Marchant Mentz (SA)	Women Anja Els (SA) Ina Dreyer (Nam) Marica Els (K) (SA) Bibi Schmidt (SA)
Coach: Nico Nel	Coach: Gieliana Boshoff (Nam)
OVER 50 AND 60 MEN AND WOMEN	
Team Manager: Daleen Roos (SA)	
Daan Swart (SA) Tinus Barnardt (SA) Christie Behr (SA) Johan Hansen (SA) © Michael Duvenhage (Nam)	Emarie Horn (Nam) Lize vd Merwe (SA) Bets Hansen © Elna vd Berg
Coach: Nico Nel (SA)	Coach: Wilma Nel (SA)
UMPIRE: Dirk Brits (SA)	

Congratulations to every official and player. You have each made a great contribution to the development of Jukskei on an international level.

Other IJF news

The IJF Exco is still in constant discussion with members from other countries.

Uganda

Uganda has separated itself and is training and playing hard. There was a conversation with them via a video call in which they asked many questions. The game remains difficult to understand according to the book until you start playing it yourself. Scorekeeping continues to be a problem to understand and explaining it over the phone is not easy. The same applies to explaining how the game should be played. After an hour's conversation, we believe Herbert has a clearer picture of the game of jukskei. A visit by JSA is planned to Uganda this year and we believe it will explain to them even better how the game is played.

A visit by a delegation of 5 players is planned in August during which training will be given regarding playing, coaching as well as referees.

Basque Country

This country is eager to get involved in playing jukskei. They urgently need some equipment but the courier cost remains high. However, they are still eager to get jukskei off the ground in the country.

UGANDA GATES ITS FIRST JUKSKEI COURT

On Saturday, February 25, 2023, the Uganda Jukskei federation set up the first Jukskei court in the country at Flowerland Primary/Secondary School in Buyende District.

After the establishment of the court, there was a Jukskei Basic Skills clinic that attracted more than 30 school going children from age 8 to 17 years.

The Director of the school Richard Ntalumbwa, said that he was very grateful for the opportunity of introducing Jukskei to his school.

“We are very happy and we shall work hard to see that the first Jukskei national players begin from here.” Richard said.

UJF Director Participation Mandali Julius thanked the School administration for allowing UJF set up the first court in the country.

The UJF President Mwiima Mwesigwa Herbert, donated two locally made Skeys and a Peg to the school so that they continue practicing.

VAN JUKSKEI 2023
VETERANE TOERNOOI

MIDAS of JUKSKEI (for Veterans)

Saturday 18 February 2023

Why is it called: **Midas of Jukскеi?**

The name is derived from King Midas and his golden touch.

The ability to do everything one is involved in very successfully with the **“Midas touch”**

Our Jukскеi veterans walked the path, worked hard and consistently pass on that experience to the players who follow. Hence the very appropriate slogan:

“Trust the Midas Touch”

The 8 teams that will showcase the slogan “Trust the Midas Touch”

News from Jukskei Namibia

Napso Blitz tournament

The Association of Private Schools in Namibia (Napso) has, after nearly three years of negotiations with junior jukskei, given permission for jukskei to form part of one of their tournaments.

They call the tournament, the Napso Blitz tournament.

During these tournaments, there is participation in rugby, hockey, netball and now jukskei. The name Blitz series already gives an indication that everything happens very quickly, and the other three codes are then played in seven to a side. The series consists of three legs and the winner will be determined at the end of the series.

Jukskei then had to adapt to fit within these norms and had to look at a different format of the game. That is why the name of Action jukskei saw the light.

Action jukskei should then be played in a shortened version.

How does it work?

- ◆ Match consists of throwing six overs.
- ◆ Pins and lays cancel as with any jukskei match.
- ◆ The score is then taken after the six innings
- ◆ The team with the most points after the six innings then wins the game and earns four points. (4)
- ◆ If a team scores more than eighteen points in the limited innings, the team earns a bonus point. (1)
- ◆ If the team that loses by seven or less points then the team earns one bonus point. (1)

During the weekend of 24 and 25 March 2023, the first leg of the Napso Blitz series took place. The children really enjoyed the jukskei because the game was nice and short and finished very quickly.

Three schools participated for the first time namely:

- ◆ WAP (Windhoek Private School)
- ◆ Elnantan (Stampriet Private School)
- ◆ Tsumeb Gymnasium (Tsumeb Private School)

After the matches, the points are as follows:

- ◆ Elanathan 10 (Win both games with a bonus point)
- ◆ WAP 4 (Win a game without a bonus point)
- ◆ Tsumeb 1 (Loose one of the games with less than seven points, and earn a bonus point)

We are very excited to the new form of jukskei especially for beginners of the game.

The format is adaptable depending on the circumstances.

Beginners get the basic principle of the game, and can then get an introduction to the game as a whole at a later stage.
