Good day

## **IJF: TRAINING MATERIAL AND COST**

Jukskei SA, as the leader in training material, is willing to share its material with the International Jukskei Federation to assist the countries in need.

The following training material will be available:

1. Level 1 and Level 2 Coaching manuals.
2. Primary School Week manual.

The following rules will apply:

1. The country in need must do its own printing.
2. The cost, per person attending a course, will be equal to SA R10.00.
3. An attendance register must be submitted to the IJF.
4. Once a country has got the material, it will only be fair towards the IJF and JSA to remain submitting attendance registers and the corresponding tariff per person when presenting more courses.

### Executive Committee

**President:** DJP Brits (South Africa); **Vice President:** FJ Strauss (Namibia);  
**Chief Operations Officer (COO):** EM Roos (Ms) (South Africa); **Director Communication:** MC Barnard (South Africa)  
**Director Training and Development:** C Horn (Namibia); **Director Umpires:** G Coetzee (Namibia)

5. Each country is responsible for its own examination papers. The quality and standard will be your own decision.

The question could now be raised by the countries, as jukskei is a new sports code without having anyone played jukskei before: Who will be able to present the courses?

Should a country require assistance with the training, feel free to apply to the Director Academy IJF. The host country shall be responsible for traveling costs and accommodation of the member(s) facilitating the courses.

We believe that this is only the beginning of playing Jukskei all over the world.

Kind regards
